

# Restoring Smiles, Extending Lives: A Global Cleft Team Serving Zambia

The average life expectancy in Zambia is sixty years. This has climbed in the last decade, but what can Love Without Reason do to increase it? The impact of health, nutrition, the cleft repair and the mental and psychological counseling can increase the life expectancy of children born with cleft and craniofacial differences.

The cleft team will be traveling from **Kenya, Vietnam, South Africa, Zimbabwe, India and the USA to work together with one mind and one spirit to transform hearts and lives of children and their families**. We are grateful for the partnership with **Mazabuka General Hospital** in serving the most needy. Children with clefts need surgery, and they will also need follow up services. The team in Mazabuka is ready to serve these children in this way.

## Six Missions, Two Continents: Countless Smiles Restored

By the end of 2025, Love Without Reason will have completed **six cleft missions in two different continents!**

**The final mission takes place in Bihar, India, for the second time in 2025.**

The discussions with the government of Bihar indicated the great need for cleft surgeries in this state based on the directory of patient births. **The leadership was impressed with Love Without Reason's surgical results around the world, and chose to give us the opportunity to host a camp in March 2025.** The **75 surgeries took place** with patient safety, comfort, and medical expertise. **The governmental leaders were pleased with the partnership of Duncan Hospital with Love Without Reason and requested a second cleft mission. The mission will be from November 16 – 21 at the Duncan Hospital.**

In this season of giving, **you can give the gift of a smile to a child or adult** who has been waiting on a list.

**Your gift of \$50 or \$100 brings life, gives hope, and changes a smile forever!**

**“It is more blessed to give than to receive.”**

**When you give a gift of \$1000 you are directly giving a new smile to a child waiting for transformative surgery.**

**If you can't give a one-time gift, consider a gift of \$100 a month and join the PHILIPians Circle!**

**The Philipians are the bedrock of the organization and we are grateful for each member.**

**Learn more and join the cause today!**

**It is not difficult to help a child like Salma. The cost of her surgery is roughly \$1000, and you can partner with Love Without Reason for twelve months with your gift of \$100/month and join the Philipians Circle!**

## Salma's New Smile: Changing Tomorrow with Care Today

Salma was born on May 5, 2021 with a cleft lip alone. The parents were not alarmed when they saw her cleft lip, because they had other family members and neighbors born with similar differences.

The family believed that it was God's will for Salma to be born with this birth defect; therefore, they did not see the need to get Salma evaluated for care. However, the younger generation did not want to hold to this tradition. When they heard that a free cleft mission was happening this August, they decided to bring their child to Love Without Reason's cleft mission.

When Santhosh met them during the screening day, he could not take his eyes away from Salma's smile. She was radiant and joyful. He was also joyful when he learned that Salma was cleared for surgery from the medical team. The night before her surgery, he met the family in the pediatric ward of the Jumuia Hospital. "Tonight is her last night with this smile. From tomorrow onwards you all will see Salma's new smile!" Everyone was excited and filled with hope. Salma is recovering well after her surgery. The family is thrilled to be able to send Salma to school, and they have great hope for her education and her future.

PARTNER WITH US TODAY!

# Will you help us reach 100 PHILIPians?

Love Without Reason was born from a boy named Philip — and the legacy of his smile has impacted thousands.

Today, you're invited to carry that legacy forward as a Philipian Circle member.

Your **monthly gift** helps fund surgeries, empower women, and set captives free.

**\$100/month x 12 months = 1 surgery every year.**

This is your chance to give love that heals forever during the month celebrating Love Without Reason Day. **October 22<sup>nd</sup> marks Philip's heavenly anniversary and Love Without Reason Day as declared by Mayor Weston Wamp of Hamilton County, Chattanooga.**

**A day of PHILanthropy and kindness to people in our world.**

Celebrate the life of Philip with your generous act to society and join the **PHILAPIANS Circle!**

Our goal is to raise **100 Philipians who give monthly to Love Without Reason** and **we have reached 70!**

**Will you be the one to help us cross the 100 milestone?**

# People, Not Products

Presented By Love Without Reason

**We want our city to be the safest on the planet! Do you?**

Love Without Reason was proud to launch the webinar series **“People, Not Products”** this month. The webinar’s purpose is to raise awareness on human trafficking and provide training to educate the public on this crime.

**Susan Mathews**

Co-Founder of Love Without Reason

Susan Mathews, co-founder of Love Without Reason, kicked off the inaugural series with the topic **“Beyond Sex Trafficking, The Many Faces of Exploitation.”** She discussed the definition of human trafficking and the methods of exploitation under this definition: sex trafficking, organ trafficking, child beggary, and forced marriage (child brides). Each section discussed included a story and connection to Love Without Reason and the real-life experiences.

The next webinar is scheduled for **November 6, 2025**, so be sure to register at [www.lovewithoutreason.org/people](http://www.lovewithoutreason.org/people).
